

Fees and Billing Arrangements

North Shore Medical Centre is a mixed billing practice.

As this practice strives for excellence and maintains high medical accreditation standards, our fees reflect the quality of our care. Payment when charged, is due at time of consultation and can be made via cash, credit card or EFTPOS. Please note we can refund your Medicare rebate directly back to your account if your bank details are registered with Medicare.

Saturday appointments - No bulk billing

Billings effective from 1st July 2021

All first visits & private patients:

Standard Consult <15mins \$75.00 M/C rebate:\$39.10
